Reports

Assessor's Report: County sent out a postcard to everyone who has a yearly renewal exemption and it says that they are still waiting for legislation to be passed that we can roll over the exemptions. They are continuing to work on assessments.

Road Report: Repairing and replacing a lot of signs. Started cutting grass. Hauled some stone and screenings to the Baseball Association.

Town Report: Supervisor Robbins got some bids back for performing an audit. Got a refund letter from TOIRMA. Also got a letter from the department of Finance from the City of Joliet for elderly transport grant refund. Got a letter saying there would be burns at the Arsenal. We have gotten a couple of General Assistance calls. Normally there are set standards about how much the township will give out. The check is never written directly to the resident. They can only get assistance once a year and they have to live in the township. Attorney Harvey suggested calling Joliet Township to see how they determine how much assistance is given. We may be able to hire an advocate who will come and determine the amount of assistance given. Will add to the agenda for May meeting.

Trustee Comments: Trustee Wilhelmi said he would take an opening on the Jackson Township Planning Board if there was one.
