Capital Plan: nothing new to report

Reports

Assessor's Report: They are working on training Dana, the new employee, she has worked out very well so far.

Road Report: HC Walsh discussed the voucher list and specifically, the ComEd bill because they didn't take the credit from last month's meeting because the bill and our meeting dates just crossed in the mail. When we got snow a few weeks ago, HC Walsh got a call from the Will County Sherriff's office asking them to clear Schweitzer Road because it was closed with cars being stuck. HC Walsh explained it is the City of Joliet's Road and was told the City of Joliet and Joliet Township both said it wasn't their responsibility and dispatch told a Joliet Police Officer they weren't sending anyone out. They cleared the road but these situations have been more and more frequent where Joliet is not taking care of roads that belong to them but where Jackson Township citizens reside.

Town Report:

- April 9th will be the pass out for the Easter Baskets
- \$150,000 is what Supervisor Robbins is thinking to transfer at the annual town meeting
- Cosgrove Construction is ready to paint, we will shut the office down to outsiders for two weeks. We need to move everything into the middle of the rooms
- We will schedule a cleaning service to wipe down everything to clean up the dust before we move everything back
- Supervisor Robbins and HC Walsh got their computers
